

****PLEASE READ****

Lawn Mowing Service Policy

Thank you for considering our lawn mowing service. To ensure a clear and smooth working relationship, we ask all customers to carefully review our policy before accepting an estimate. By accepting this estimate, you agree to the following terms and conditions:

Season Duration

- Our lawn mowing season runs from the first week of May until the last week of October. The first week of May is defined as the week that includes May 1, and the last week of October is defined as the week that includes October 31.
- **Service will automatically renew for the upcoming season for customers with a card on file, unless cancelled before April 1st.**

Service Description

- Service is provided on a weekly basis from the time you sign up until the last week of October.
- **Skipping services is not permitted.** This ensures consistency for your lawn's health and helps maintain our scheduling. If a customer requests to skip a week, the service will still be charged as if it were completed.
- We use mulching mowers to mulch the grass, as mulched clippings return nutrients to your lawn and promote a healthier lawn.
- We do not bag grass clippings as part of our standard service. However, if the grass is bagged for any reason, it will be left at the owner's disposal for curbside recycling.
- Each weekly service includes:
 - Mowing of all lawn areas around the property
 - Trimming of the edges
 - Blowing grass clippings off hard surfaces

Weather Policy

- In case of inclement weather, your property will be rescheduled for the next available service date.
- Weather delays may shift the schedule, so your service may not occur immediately the following day.

Property Access Requirements

To ensure timely service and prevent damage, customers must:

- Unlock backyard gates prior to the scheduled service if the backyard is included in the service.
- Ensure the lawn is free of toys, furniture, hoses, pet items, and other obstacles before our arrival.
- Collect all pet waste from the lawn before the scheduled service.
- Ensure that pets are kept inside and away from the backyard during service if the backyard is included in the service.
- If you have sprinkler heads hidden under the grass, please place a visible marker (such as a flag) to help us avoid damage.

If these conditions are not met, the service may be limited or adjusted, but full charges will still apply.

Overgrown Lawn / First Service

- If the lawn exceeds 10 inches in height on the first service, extra time will be required to complete the service.
- A one-time additional charge will apply and will be confirmed with you before work begins.

Leaf Season Policy

- During the fall, as leaves begin to drop, we will continue weekly mowing and will mulch the leaves into the lawn as part of the regular service.
- **Services cannot be skipped due to the presence or accumulation of leaves on the lawn.**

Liability

- We are not responsible for damage resulting from pre-existing property conditions, hidden or unmarked items, underground components (including sprinkler and irrigation systems), or areas not clearly visible at the time of service.

Payments

- All customers must keep a credit/debit card on file.
- Payments are automatically processed after each service is completed when a credit/debit card is on file.
- If you wish to pay by e-transfer, you may do so only by making a full prepayment for the entire season in advance. Prepayments can also be made by credit/debit card, if preferred.
- Service will not be scheduled or performed unless a valid card is on file or a full prepayment has been received.

Cancellation / Refund Policy

- If a customer is not satisfied with the service, we will make every effort to address and resolve the issue.
- If the issue cannot be resolved, a refund will be issued for the lawn mowing services not yet completed.
- Any discounts received through prepayment promotions (e.g., first lawn mowing service free) will be accounted for, and the value may be deducted from the refund.
- Refunds will be issued via card on file or e-transfer.

Agreement

By approving or proceeding with our lawn mowing service, you acknowledge that you have read, understood, and agree to follow the above policies. GroundScapers reserves the right to discontinue the service if these policies are not followed. These policies are in place to ensure consistent, reliable, and professional service for every customer.
